## WHAT MAKES US DIFFERENT?

We are a global technology and management consultancy dedicated to the financial services industry. Our professionals combine innovative thinking with unrivalled industry knowledge to offer our clients consulting expertise, complex technology and package integration, transformation delivery, and managed services, to move their organizations forward.

### BUSINESS PERFORMANCE CONSULTING

Businesses require more from change than cost reduction alone. Our innovative approaches and methodologies help to deliver excellence and help turn change into transformation.

### FINANCE, RISK AND COMPLIANCE

Regulators demand compliance. Banks need competitive advantage. Our FRC strategies, operational experience and RegTech knowledge overcome complexity to deliver both.

### DIGITAL AND INNOVATION

Consumers expect secure, consistent and rewarding experiences across all devices, channels and services. We leverage our expertise to transform your customer experience.

### COMPLEX TECHNOLOGY TRANSFORMATION

Revenue growth and continued market relevance are today's biggest challenges for financial services providers. Meet them head-on with our advanced data and technology solutions knowledge.

## WHY WORK FOR CAPCO?

When you join Capco, you will work on engaging projects with some of the largest banks in the world, projects that will transform the financial services industry. We offer you opportunities for ongoing learning, a culture that's a true meritocracy and the freedom to be your authentic self at work.

As we grow, you will grow, and you can add value and make an impact right away.

- A work culture focused on innovation and creating lasting value for our clients
- Ongoing learning opportunities to help you acquire new skills or broaden and deepen existing expertise
- Our Capco Milestone Schools and leadership development programs are the heart of our global learning experience
- A flat, nonhierarchical structure that will enable you to work on projects with senior partners and directly with clients
- Potential opportunities to work in other locations and practice areas
- An environment where work, leisure, social and professional life are in balance. We offer sports, team events, happy hours and other activities
- A diverse, inclusive, meritocratic culture
